## **GERMICIDAL SOAP**

**A Cleansing Soap and Valuable Antiseptic all in one**

¶ Physicians and Nurses use this valuable Soap after being in contact with contagious diseases.

¶ It is also employed by surgeons with splendid results for preparing antiseptic solutions, as it does not corrode their nickel or steel instruments.

¶ It is a pure neutral soap base, to which has been added sufficient Mercuric Iodide to make it a valuable and powerful germicide and an efficient deodorant.

SUPPLIES OF THE SOAP ARE OBTAINABLE FROM DRUGGISTS.
